“You never let a serious crisis go to waste.

And what I mean by that it’s an opportunity to do things you think you could not do before?”

by Implementing climate change policies.**

(Global Warming)

Isaiah 14:13

**“But you said in your heart,
‘I will ascend to heaven’;”**

Jeremiah 17: 9

**“[1] The heart is more deceitful
than all else and**

**[2] is desperately sick; -
incurably
sick; Who can understand it?”**

Ecclesiastes.9:3

**This is an evil in all
that is done under the sun,
all that man does that there is one
fate for all men. Furthermore, the
hearts of the sons of men are
[3] full of evil and
[4] insanity is in their hearts
throughout their lives.**

**Afterwards they *go* to
the dead.**

**Insane—divorced
from reality!**

And if you think man is getting better with age or with history:

Ephesians 4:22 tells us that our flesh nature is continually being corrupted

Limited Government

Obama described the US Constitution
as having '**deep flaws**'
during a September 2001 Chicago
public radio program...

adding that the country's Founding
Fathers had '**an enormous blind spot;**
when they wrote it.'

Obama also remarked that the Constitution
**‘reflected the fundamental flaw of this
country that continues to this day.’**

**And yet Americans voted him President
twice. There should be no surprise as
to the fallen state of America under
his administration.**

And this will continue under H. Clinton

Genesis 8: 21-22

21 The LORD smelled the soothing aroma; and the LORD said to Himself, “I will never again curse the ground on account of man, for the intent of man’s heart is evil from his youth; and I will never again destroy every living thing, as I have done.

Genesis 8: 21-22

22 “While the earth remains,
Seedtime and harvest, And cold
and heat, And summer and winter,
And day and night Shall not cease.”

John Lennon:

...imagine a time when there will be
“no countries”; “no religion”; “no
heaven”; “no hell”; “no possessions”;
everyone “living for today”;
and the world “as one”

generation of young people

Henry Steele Commager, cited in
The New World Order, page 147

“just as we know, or should know, that none of our **domestic problems** can be solved within the artificial boundaries of the **states**, so none of our **global problems** can be solved within the largely artificial boundaries of the **nations.**”

David Rockefeller, cited in Memoirs page 405

“Some even believe we are part of a secret cabal working against the best interest of the US, characterizing my family and me as ‘internationalist’ and of conspiring with others around the world to build a more integrated global political and economic structure—one world, if you will.

If that’s the charge, I stand guilty and I am proud of it. “ (published in 2002)

Humanist Manifesto II (1973)

Secular Humanism Manifestos I, II, III

We deplore the division of humankind on nationalistic grounds. We have reached a turning point in human history where the best option is to transcend the limits of national sovereignty and to move toward the building of a world community...
a system of world law and world order based upon trans-national federal government.

Secular Humanism

A worldview based on atheism and naturalism in which ‘**man is the measure**’ of all things;

man, **not God**, is the ultimate norm by which truth and morals are to be determined.” (David Noebel)

“Education is thus a most powerful ally of Humanism, and every public school is a school of Humanism.

What can the theistic Sunday-schools, meeting for an hour once a week, and teaching only a fraction of the children, do to stem the tide of a five-day program of humanistic teaching?”

Charles Francis Potter, *Humanism: A New Religion* (New York : Simon & Schuster, 1930)

In a fiery speech Democratic presidential hopeful **Hillary Rodham Clinton** argues that **deep seated religious beliefs must be changed** so that everyone can enjoy full participation in every aspect of society.

Clinton, speaking in Manhattan on Thursday at the sixth annual Women in The World Summit, declared that **“deep-seated cultural codes, religious beliefs and structural biases”** **must be changed** both in the U.S. and around the world in order to achieve social justice. -

On Home Schooling

- 1. EDUCATION IS NOT FOR FAMILIES**
- 2. PLACE YOUR NEWBORN CHILDREN INTO PUBLIC SCHOOL**
- 3. WHAT'S NOT TO LOVE ABOUT COMMON CORE?**

Clinton praised Common Core
and

referred to children's education

as a “non-family enterprise”

By George Brock Chisholm, First Director of the
World Health Organization Speech
at Conference on Education , Sept. 11, 1954

**“To achieve world government, it is
necessary to remove from the minds of men
their individualism, loyalty to family,
tradition, national patriotism, and religious
dogmas.”**

All loyalties that would interfere with One World

Chester Pierce, a Harvard psychiatrist, speaking as an expert in public education at the 1973 International Education Seminary.

“Every child in America entering school at the age of five is mentally ill because he comes to school with certain allegiances to our founding fathers, toward our elected officials, toward his parents, toward a belief in a supernatural being and toward the sovereignty of this nation as a separate entity.”

It's up to you as teachers to make all these sick children well by creating the international child of the future.”

“We have never invested as much in public education as we should have because we’ve always had kind of a private notion of children. Your kid is yours and totally your responsibility. We haven’t had a very collective notion of these are our children.

So part of it is we have to break through out kind of private idea that kids belong to their parents, or kids belong to their families, and recognize that kids belong to whole communities.: Hana Peary

Oprah Winfrey

'...one of the mistakes that human beings make is believing that there is only one way... We don't accept that there are diverse ways of being in the world; that there are millions of ways to be a human being. And many ways...many paths to what you call God. That her path might be something else and when she gets there she might call it the light. But her loving and her kindness and her generosity brings her to the ..same point that it brings you.

Oprah...

It does not matter whether she called it 'God' along the way or not...There could not possibly be just one way! There couldn't possibly be only one way with millions of people in the world. You Think... if you are somewhere on the planet and you never hear the name Jesus, but yet you live with a loving heart. You lived as Jesus would have had you live. You lived for the same purpose as Jesus came to the planet to teach us all, but you are in some remote part of the earth and you never heard the name of Jesus. You cannot go to heaven...?"

Jesus said

**I Am the way, the truth the life,
no one comes to the Father
but through me!**
