Liberia West Africa

Liberians see themselves as America's little sister but they sometimes feel like America's step-child . . .

But we can finish what America started in 1821 when Liberia became the only colony ever established by the USA

In 1821 First freed slaves arrive from the US

1848 Liberia's independence, first democratic republic in Africa

For the next 130 years Liberia prospered unlike any other African nation ever has . . .

But then in 1980 . . .

Samuel Doe: Military Coup, murders president Tolbert, economy falls

1990 Prince Johnson and Charles Taylor overthrow Doe's regime

1991-2003 Chaos with tribal armies fighting each other and Taylor's armies

Since 2004 Liberia has been rebuilding as a nation.

After suffering through nearly 25 years of rebellion, restoration would be impossible without Jesus Christ

And that is where GGM's work begins

Our home base in Monrovia Liberia is ELWA, a mission compound established in the 1950s by SIM

ELWA Campus includes:

- **ELWA Ministry:** 300 Liberians who work in the radio station, school, hospital, property and management
- **SIM:** Formerly Sudan Interior Missions, now Serving in Missions
- **Samaritan's Purse:** Franklins Graham's ministry for Education and Relief
- **And now Grace Gospel Missions:** Dan and Pat Hill and Joe-Elliott Guimond working with all these ministries

ELWA (Eternal Love Winning Africa) has an amazing history as a ministry that always gave out the Truth of God's Word

Pat and Joe get to work in the School (grades k-9) and provide Bible teaching, teacher training, youth leadership training and VBS during the school breaks

Pat also will be providing remedial education for the many adults whose education was interrupted by the wars

At ELWA Dan will be ministering to all 300 staff and employees in daily and department devotions, Bible teaching, leadership training and providing biblical advise

SIM (Serving in Missions) was the oldest and original mission organization in Liberia. They have a strong relationship with the ECUL (Evangelical Church Union of Liberia) and Dan is teaching the Bible Training for Pastors courses to pastors and church leaders in Monrovia.

Samaritan's Purse trains pastors and church leaders up country in the rural areas. Dan will be traveling with them and teaching some of the core classes in the curriculum

Also, in March Franklin Graham will hold a three day Crusade in Monrovia and Dan, Pat and Joe will be supporting that evangelistic work

Off the ELWA campus opportunity for ministry is everywhere

- Partnering with Child Evangelism Fellowship
- Ministering with Africa Leadership (BTCL in Africa)
- Ministering with Amos Harris, director of Family Life, Campus Crusade for Christ and Executive Impact
- Orphanages
- One day Saturday seminars in local churches
- Preaching in local churches on Sundays

There is a great ministry
with children who come
to ELWA after school

Outside of Monrovia Joe will be ministering in the rural and village areas

We need your prayers and
we need your financial
support as we minister
in Liberia
